- Outsourcing and operational efficiency advocate
- Kaizen and checklist-driven systems thinker
- Speaker on training, governance, and lean learning teams

EXPERIENCE SNAPSHOT

1000+ — Courses built

- -

77+ — Organizations Served

- -

18 YRS — eLearning experience

- -

7.5 YRS — In business as Flagship LMS

SPEAKING TOPICS

Stop building your training- start managing it.

The hidden costs of bad LMS vendors (and how to spot them).

From Chaos to Clarity: using checklists and kaizen in training ops.

What great LMS governance looks like- and why it matters.

Why authoring tools like Captivate and Storyline are hurting your training- and what to use instead.

Why in-house instructional design is usually a waste of money.
